BEACH & GOLF RESORT

Part of the Noble House collection

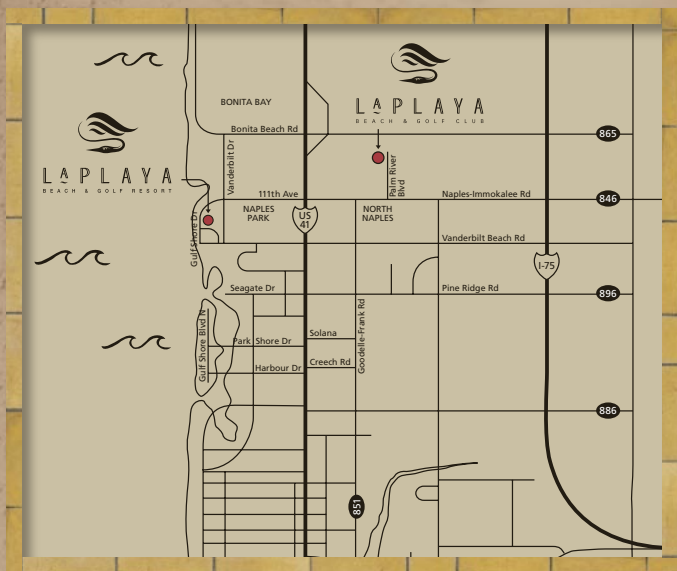

Set amid mangroves and colorful bougainvillea, the course is a landscaping marvel, with rolling fairways, meticulously manicured greens, and sparkling water features. Our ten minute tee-off time allows for leisurely speed of play, so you can focus on your game and enjoy the surrounding beauty.

For expert instruction, our new David Leadbetter Golf Academy offers a one- or three-day golf school, private lessons and group clinics. If rental clubs are needed, turn to our fully-equipped pro shop. And when it's time to unwind, our elegant clubhouse is a haven of comfort. Enjoy casual fare at the clubhouse's *Grill Room and Lounge*, or retire to the veranda for cocktails and conversation on the day's game.

A private golf club, at your disposal. Available exclusively for resort guests and club members, LaPlaya Golf Resort offers one of the finest golf courses in all of Southern Florida. Our new 14-acre course, designed by renowned architect Bob Cupp, features an 18-hole, par 72 championship layout that appeals to all skill levels—from the long-term low-handicapper to the beginner.
